Serangoon Masterplan 2019

Lorong Chuan

There will be new parks, amenities and pedestrian linkages to serve the larger community.

Serangoon and Hougang will each have 2 Cross Island Line MRT Stations

Tavistock, Serangoon North, Hougang (an interchange station with the North-East Line) and Defu

Circle Line Loop will also be expected to complete by 2025

Close Proximity to Future Sub-Regional Centres

Serangoon Sub-Regional Centre

Over the next few years, Serangoon will offer residents better facilities, more recreational options and improved transport connectivity.

The growth of the Serangoon Sub-Regional Centre will also bring in new job opportunities.

Bishan Sub-Regional Centre

Will be transformed into an attractive and easily accessible employment node.

Community facilities will be integrated within upcoming commercial developments, to better serve nearby residents, workers and the general public.
